

EHC GLOBAL

Web Site Accessibility Plan

Our goal is to have our website maintain compatibility with WCAG 2.1 Level AA accessibility standards. We periodically test our site using common standards checking systems. If you experience any issues please let us know.

We also provide UserWay's web accessibility widget on our website to provide additional features to aid access to our website content. Please click on the icon to access its accessibility features.

Additional download content is provided in PDF format from our download page. If you require assistance or alternate formats for that content, please contact us at:
